Redding, CA October 25, 2018 —United Way of Northern California (UWNC) recently announced a \$5,025 contribution from AT&T.

The funds will be used to support UWNC's efforts of doing good work in the areas of education, financial stability and health in Butte, Glenn, Lassen, Modoc, Plumas, Shasta, Siskiyou, Tehama and Trinity counties.

"United Way of Northern California thanks AT&T for their contribution to our organization," said Larry Olmstead, President & CEO. "AT&T understands the importance of supporting health and education programs to help our rural communities thrive."

AT&T and the AT&T Foundation have long been strong supporters of the United Way. In 2018, AT&T has contributed \$3 million to local United Way agencies across the country. This funding is in addition to the \$7 million donated by more than 40,000 AT&T employees to United Way agencies where they live and work.

"AT&T is proud to support organizations like United Way of Northern California that have proven success of making a positive impact in our local community," said Alice Perez, External Affairs Director, AT&T California.
